

## L&E Global

As our clients' businesses become increasingly cross-border, we've forged a global alliance to better serve their needs abroad.

### Overview

Jackson Lewis is a founding member of [L&E Global](#), a global alliance of premier employer's counsel firms providing specialized, business-focused advice on employment law matters. Collectively, L&E Global member firms have more than 1,500 legal professionals across six continents, advising clients on both global and local matters. L&E Global members focus on understanding their clients, their sectors and their markets.

As a client-centric alliance of international employment law firms, working with some of the world's leading organizations, L&E Global understands the importance of delivering excellent service. L&E Global's seamless management supports the sustainable delivery of consistent, high-quality services in every jurisdiction.

Using L&E Global firms, employers receive high value services at competitive rates across the globe, from dedicated lawyers who work hand-in-hand with clients and are committed to establishing long-term business relationships.

L&E Global aligning forces help Jackson Lewis in supporting clients on complex cross-border labor and employment matters throughout the world.

For more information, please contact one of the Jackson Lewis principals below.

Jackson Lewis is a founding member of L&E Global, an international alliance of independent law firms, each of which is a separate legal entity. L&E Global itself does not practice law or otherwise provide legal services to clients. Legal services are provided independently by each of the separate member firms of the L&E Global alliance. Each member firm of L&E Global is responsible for its own legal advice and services, and no member firm or partner of such firm may bind or act as agent for
