Each year it becomes increasingly more difficult to obtain an H-1B visa number. Approximately 236,000 petitions were filed for FY2017, meaning just over 1 in 4 petitions were selected for the general-category cap. Learn what you can do to get ready for this year's H-1B cap season and steps you can take to minimize the chance your filing will be rejected or denied! Join Jackson Lewis attorneys for a complimentary, 60-minute webinar where we will discuss:

- The H-1B Quota and "Cap Season."
- Fiscal Year 2017.
- What is an H-1B?
- What does it mean to be Cap Exempt?
- The Labor Condition Application and the Public Access File.
- H-1B Best Practices.
- An overview of other options if a petition is not selected for an H-1B.
