The California Consumer Privacy Act (CCPA) will go into effect on January 1, 2020. From new consumer rights to substantial and challenging compliance obligations placed upon organizations, the CCPA will reshape how we see privacy in California and beyond its borders. Join us for a webinar on what organizations need to know about the CCPA to ensure compliance and avoid litigation.

## Topics

- Requirements and penalties for employers under the CCPA
- New consumer privacy rights and required website notices
- Organizations that will be affected
- Litigation and class action prevention and defense
- Amendments that have been applied since the CCPA was passed
