As employers contemplate how they will emerge from the COVID-19 crisis, possible criminal, investigative and regulatory enforcement issues should not be overlooked. Please join Jackson Lewis attorneys for a two-part webinar series.

Topics to be discussed in rapid fire sessions include:

- Anticipating and preventing fraudulent schemes after COVID-19
- False Claims Act alerts as the nation emerges from the pandemic
- Conducting remote internal investigations
- Best practices for handling whistleblower claims
- Immigration enforcement during and after the pandemic
- COVID-19 related cybersecurity and privacy concerns
