

Multi-State Resources: COVID-19 Advisor

To better assist you in navigating the challenges presented by COVID-19, Jackson Lewis attorneys developed the COVID-19 Advisor, a suite of nationwide surveys updated in real time to help employers assess and manage the impact of COVID-19 on businesses and their employees.

Overview

Attorneys at Jackson Lewis P.C. are here to help you interpret and navigate the various challenges presented by COVID-19. We are pleased to share our COVID-19 Advisor with you: a suite of nationwide guides to help you assess and manage the impact of COVID-19 on your business and employees. We have aggregated various laws, rules, and regulations in surveys representing all 50 states that are updated in real time due to the dynamic nature of the virus.
