

US Government and Health Organization Resources

Health and government organizations have resources to help employers and workers prepare for and respond to COVID-19 in the workplace.

Overview

Jackson Lewis attorneys have compiled links to important government resources to provide you with seamless access and direct answers to some of your most commonly asked questions. These links are updated regularly through the originating government agency. Please reach out to our [COVID-19](#) Task Force or your Jackson Lewis attorney to receive specific information regarding your business industry and geographic region.
