

California Employment Law Primer for 2020

Archived Details

September 23, 2020

2:00 PM - 3:00 PM PST

[View Recording](#)

The legal landscape has changed radically since the start of 2020. This presentation will discuss how of the ever-changing complexities of California employment law overlay with difficulties businesses are contending with in 2020. This will include a summary of the continuing minimum wage increases to updates to paid family leave benefits and everything in between. We will also provide a summary of how the pandemic has influenced these employment laws, including leave of absence and sick leave entitlements in California.
