NOTE: No CLE credit can be earned for watching recordings of past webinars.

Join Jackson Lewis P.C. for an update on Cal OSHA requirements in light of COVID-19. We will discuss the new notification requirements under AB 685 that go into effect Jan 1, 2021, and changes in Cal OSHA enforcement actions following new legislation.

Topics:

- Options for managing notifications
- Best practices for COVID-19 incident management
- Considerations for California employer's injury and illness prevention programs
