

## Virginia's Permanent COVID-19 Standard

### Past Details

February 10, 2021

9:00 AM - 10:30 AM EST

The temporary "COVID-19 Standard" established by Virginia regulators is set to expire on January 26th. Once it expires, a new, permanent standard will take its place. This informational webinar features a speaker from the Virginia Safety & Health Codes Board that is finalizing the standard, and will ensure you know what changes, what stays the same, and how to comply!
