As reflected by its recent – and second – federal construction contractor Courtesy Scheduling Announcement List (CSAL), OFCCP intends to scrutinize construction contractor compliance with affirmative action obligations over the next year. OFCCP will conduct both “compliance checks” and full-blown audits, as well as continue its Mega Construction Project Program. Are you ready?

Join Jackson Lewis P.C. attorneys for a webinar covering construction compliance best practices and strategic OFCCP audit preparation. We will cover audit scope, applicant-hire adverse impact analyses, outreach best practices, and documentation of specification compliance.

*The firm is an accredited provider of CLE in California, Colorado, Illinois, Missouri, Nevada, New York, Pennsylvania and Texas. We are also accredited providers of HRCI and SHRM.

This program is intended for bona fide members of management. Jackson Lewis reserves the right to limit attendance or deny registration at its discretion.
