No business likes to lose a key employee or confidential information to a competitor. The scope of what employers can do to prevent unfair competition is changing, leaving employers to question what they can do to legally protect their sensitive information and customer goodwill.

Join Jackson Lewis P.C. attorneys as we address the most significant issues pertaining to restrictive covenants and confidentiality agreements. In this complimentary webinar, we will provide insights and analysis to help employers protect their business information.

**The firm is an accredited provider of CLE in California, Colorado, Illinois, Missouri, Nevada, New York, Pennsylvania and Texas. We are also accredited providers of HRCI and SHRM.*

This program is intended for bona fide members of management. Jackson Lewis reserves the right to limit attendance or deny registration at its discretion.
