Mary.Costigan@jacksonlewis.com

Mary T. Costigan is a principal in the Berkeley Heights, New Jersey, office of Jackson Lewis P.C. She holds Certified Information Privacy Professional/US and EU designations from the International Association of Privacy Professionals (iapp).

Mary's practice focuses on data privacy and cybersecurity. She counsels a wide range of regional, national and multinational clients on data privacy and cybersecurity laws, compliance, and best practices.

Mary regularly advises on issues related to Human Resources and employee data, privacy programs and information management, website privacy policies, monitoring, biometric data collection, artificial intelligence, consumer data and state consumer data protection laws including the California Consumer Privacy Act (CCPA), data incident response preparation, vendor management and data processing agreements, privacy and security under HIPAA/HITECH, the U.K. and EU General Data Protection Regulations, and cross-border transfers.

Mary has extensive experience assisting clients across various industries on data incident response and related regulatory inquiries.
