New York Quarantine Leave Law Leave Entitlements by Employer Size

Entitlements to leave depend on the size of the employer.

<ul style="list-style-type: none">• Employers with 100+ employees;• Public employers	Must provide at least 10 paid sick workdays (a period that covers 14 calendar days) during the applicable quarantine leave period. The law does not require unpaid sick days thereafter, likely because quarantines are presumed to end after 14 calendar days.
<ul style="list-style-type: none">• Employers with 11 to 99 employees;• Employers with 10 or fewer employees (with 2019 net income \$1,000,000+)	Must provide at least 5 paid sick workdays during the applicable quarantine leave period, and then unpaid sick days until termination of order.
<ul style="list-style-type: none">• Employers with 10 or fewer employees (with 2019 net income under \$1,000,000)	Must provide unpaid sick days during the applicable quarantine leave period until termination of order.
